

# 2010 FOCUS Packets

The Alabama Partnership for Children has developed the 2010 calendar of monthly *FOCUS* Packets. Each month a packet of resources and materials will be compiled surrounding the month's *FOCUS* and distributed to all organizations that request the information for distribution in local communities. It is our hope that this monthly focus will provide more attention to birth to five statewide. For more information, please contact Michele Smith Piggott toll-free at (866) 711-4025 or by emailing [mpiggott@SmartStartAlabama.org](mailto:mpiggott@SmartStartAlabama.org).
